

Top performing solar panels that maximize the power of the sun

# Solar Panels

## **INDUSTRY- LEADING WARRANTY**

All of our solar panels include an industry leading 25-year product workmanship and 30-year performance warranty making them a reliable investment.

## **HIGH-QUALITY AND DURABLE**

All of our solar panels include an industry leading 25-year product workmanship and 30-year performance warranty making them a reliable investment.

## **ENVIRONMENTALLY FRIENDLY**

With Simple Energy solar system panels, you'll be producing sustainable energy by reducing CO2 and soot emissions. And as a solar energy producer you will be contributing to a cleaner tomorrow.

## **REDUCE YOUR ELECTRICITY COST**

Not all solar panels are created equal. With our top performing solar panels, you'll be able to reduce your electricity costs by generating your own power using solar energy.
